

**Marshall Food4Kids** is teaming up with the staff and teachers of Marshall Public Schools to offer a supply of nutritious snacks for children over their weekends and extended breaks, free of charge. Bags are distributed on the last school day the child attends before the weekend or break. This is not a government program. All food is paid for by donations from individuals, churches, businesses, and foundations. **Your child is eligible for this program if they are in public school preschool through grade 8 and needs extra food assistance for the weekend.** If you believe your child would benefit from this program, we encourage you to sign them up by filling out the form below and returning it to your child's teacher or the school counselor.
